Department Overview

The Jackson County Legislature is comprised of nine elected officials representing six geographic areas. The Clerk of the Legislature is the link between citizens and County government to ensure the legislative process is transparent and accessible. The County Auditor provides independent, objective and meaningful information about county programs and performance. The Auditor also assures that county services are provided in the most cost-effective and efficient manner possible.

It is the objective of the Legislature to establish sound financial practices and to encourage and promote countywide economic development. They also provide an ongoing forum for citizen feedback. The Clerk of the Legislature complies with applicable Missouri Statutes for public record requests, legal and meeting notices, and records retention. The Auditor conducts scheduled audits to evaluate internal controls, note commendable practices and recommend workable improvements.
