Do I have to renew my application to continue participation in the program?

No, but the Department of Collection does reserve the right to do periodic audits and reviews of continued eligibility. Failure to provide the requested documentation will remove the taxpayer from the program.

How do I know if my application has been approved?

Applicants will be notified of approval by email or by mail.

How can I pay my tax bill while participating in this program?

Program participants can pay their tax bill [online, by phone, by mail, or in person](#).

What if I sell my property and buy a new home?

A change in ownership or property would require a new application to qualify for the program and set a new freeze on the tax bill.

Can I still participate in the Senior Quad Payment Program if I participate in the Senior Property Tax Credit Program?

Yes. If eligible for both programs, an individual may participate in both programs.

Do I need my Parcel Number to apply?

No, it is not mandatory, but it will be helpful for processing and will expedite the approval process.
